SNITTERFIELD PARISH COUNCIL

CONSULTATION ON SPORTS CLUB DEVELOPMENT PROPOSAL

Dear Resident

Snitterfield Sports Club has considered several options for the replacement of its existing building, including building on its own land. The Development Proposal that it wishes the Parish Council to consider is the one outlined in the Snipe magazine, which involves building a new combined clubhouse and pavilion with car-parking on the village playing field on the opposite side of the Wolverton Road. The village playing field was purchased by the Parish Council in 1972 as a parish resource. The Sports Club proposal also involves transferring the tennis courts to the playing field. The detailed proposal can be viewed on the village website: **http://www.snitterfield.com/proposal.pdf** [1]. The proposal also includes asking the Parish Council to grant a 99 year lease for the playing field, excluding the children's play facilities, at a "peppercorn" rent. Residents would retain access to and use of the recreation field provided that this did not conflict with organised sport or events.

Please provide any comments, observations, or ideas in regard to this proposal that you wish to make. We ask that you put your name and address on this form to confirm that you are a resident.

Please continue overleaf if needed.
