

Hurdlers Lane

One of the houses had received replacement double glazing and another with issues regarding the standard of work to flooring insulation had been addressed, which took place during August 2020. Potential drainage issues are being investigated.

Flooding

Severn Trent has been clearing tree roots in pipework downstream of Bell Lane. Snitterfield Flood Alleviation Group continues to press the County Council, Severn Trent and the Environment Agency to co-operate in resolving the problem of sewage backing up into a number of houses in School Lane when flooding occurs.

Remembrance Sunday

The Parish Council is seeking advice on whether the usual service at the War Memorial is possible this year in view of Covid related restrictions on numbers at open air gatherings. The safety of residents is paramount.

Monarch's Way

The footbridge near the Welcome Hills has recently been repaired. The Parish Council thanks the Stratford Ramblers Group for making this possible and arranging for the work to be done.

Unitary Authority

Warwickshire County Council, following from a report by PwC, is seeking to make a case for a unitary authority for Warwickshire. It's report is to be submitted to Government. Stratford District Council has been in discussion with Warwick District Council with an alternative suggestion of a unitary authority for South Warwickshire. The Government White Paper has been delayed and it is anticipated it will be sometime next year.
