

**Chairman's Blog**

**1. Litter bins.**

New dual litter/dog bins will be placed near both play areas in the village and another one will be installed in the car park on the Wolverton Road playing field. The dog bin currently in The Green near the small playground will be relocated to the lay-by in Park Lane.

**2. Hurdlers Lane.**

Parish Councillors, Paul Blanchard and Pat Cox and District Councillor Peter Richards, recently had a productive meeting with a senior representative of Warwickshire Rural Housing Association, which agreed to undertake a full assessment of the damp problems affecting houses in Hurdlers Lane followed by a plan to resolve the problems.

**3. Road Safety.**

County Councillor Anne Parry will ensure that, in addition to the roads in Snitterfield that have been gritted in the past, gritting will be carried out along the new bus route, which includes Park Lane and Church Road.

Referring to a recent fatal road accident in the district, she emphasised how dangerous rural roads can be at this time of year. She urges all drivers to be extra vigilant.

**4. Village Hall.**

The Parish Council expressed its gratitude to Eric Noble and Elizabeth Johnston for their hard and effective work during their membership of the Village Hall Management Committee and wished them well following their move from the village.

The Parish Council welcomes the new members of the Management Committee – Tony Moon, Ian Spiers and Tanya Parr.

The Parish Council was pleased to note that progress would be made regarding the new toilet block for the Village Hall.
