

## **SNITTERFIELD VILLAGE HALL NEEDS YOUR HELP**

As you are probably aware from recent articles in the Snipe magazine and on the village website, Snitterfield Village Hall Management Committee (SVHMC) has been working on plans to improve the hall and provide facilities for disabled users. These plans also include refurbishing the toilets, storage areas and building a replacement meeting room to the rear of the hall.

Plans were drawn up and approved in the autumn of 2015 and public consultation was sought at this point. There was overwhelming support for the plans but since then we have needed to make changes to help reduce the costs which are currently estimated to be in the region of £200,000.

The new plans will still provide the elements as previously proposed and the work will be undertaken in phases:

### **Phase 1:**

Refurbish the existing toilets and build a new easy-access toilet. The new toilet will be located between the kitchen and rear meeting room with access from both rooms.

Refurbish the store rooms

Raise the carpark level to give direct access into the main hall for wheelchairs and pushchairs through the front door.

Redecorate the main hall.

### **Phase 2:**

Build a larger meeting room at the rear of the hall with direct access from the side of the building.

This will include a servery area and access to the new toilet.

Install a glass porch within the main hall.

The new plans are shown overleaf.

SVHMC is in the process of applying for funds from various charitable organisations such as the National Lottery but we need to demonstrate in our applications that the village community supports our new plans and has the opportunity to become involved with the project.

Please could you help us with this project by completing the attached questionnaire on behalf of yourself and your family as we need to demonstrate as much support as possible.

Please return the completed form by April 28th when each name will be entered into a draw for a £25 cash prize.

We would welcome any support that you may be able to help us with, both financially and professionally. SVHMC would also welcome new members to join the committee & help keep our much loved village hall as the heart of our community.

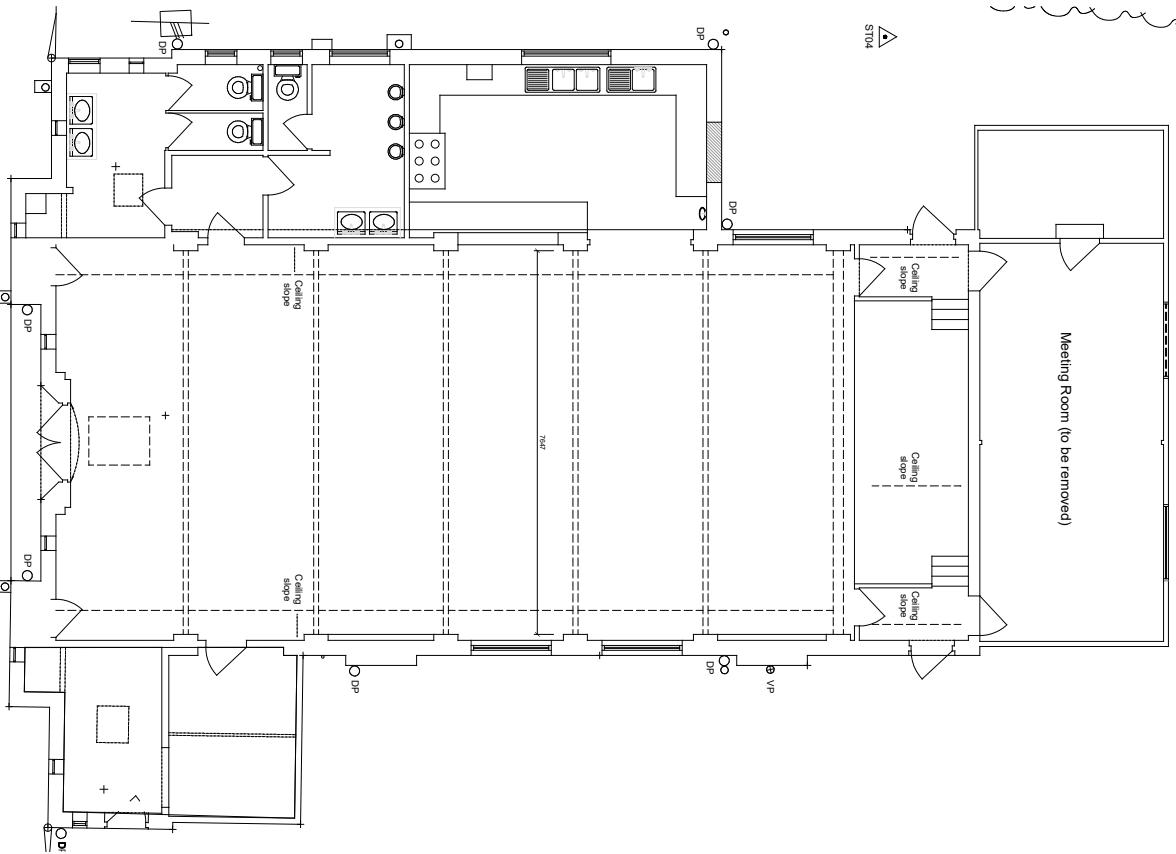

Thank you for your support.

Tony Moon

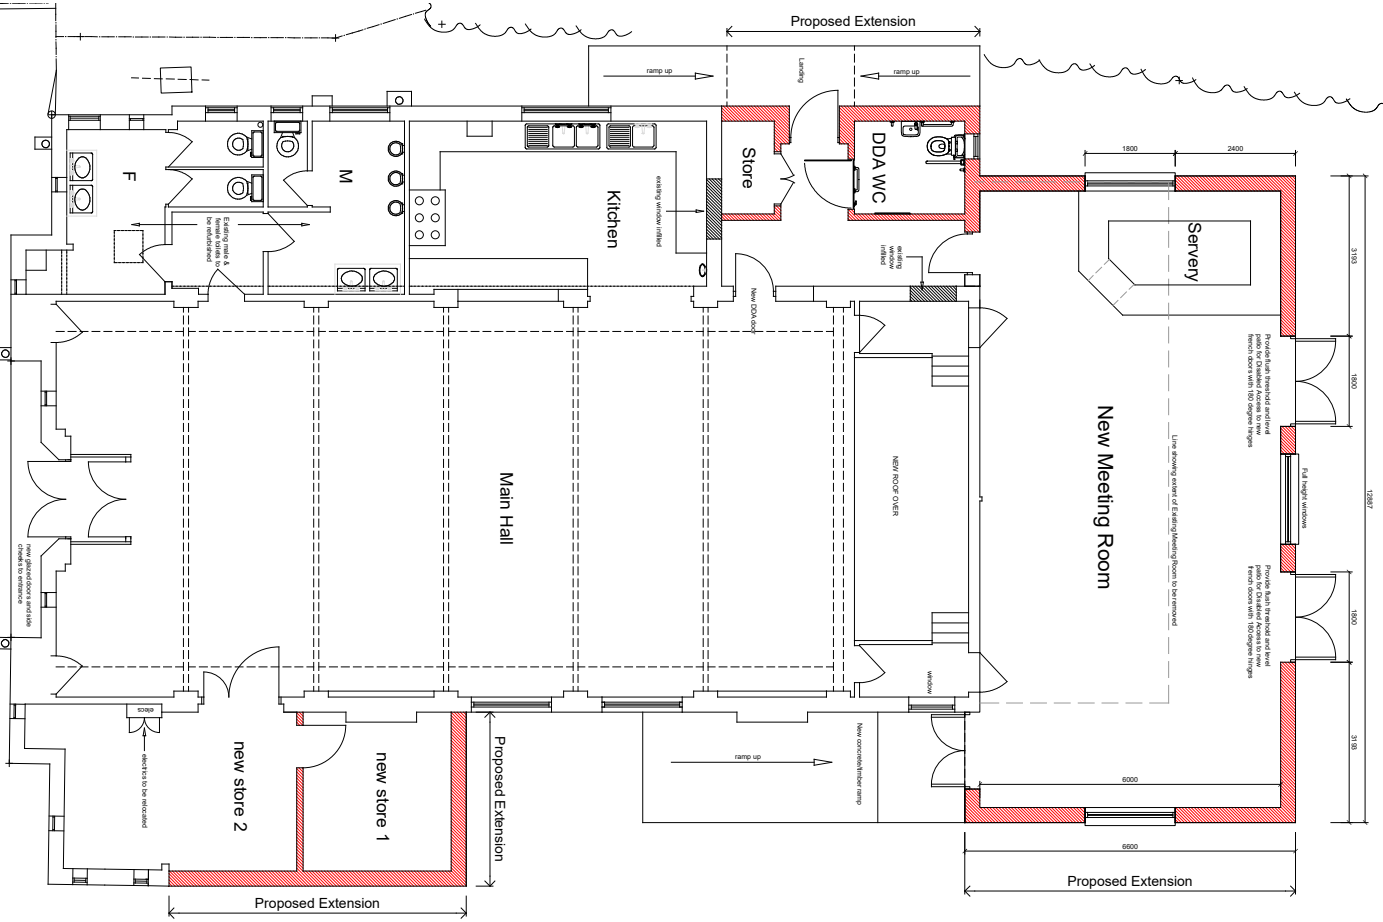

Chairman

Snitterfield Village Hall Management Committee
